Die Eule mit der Beule

Band 1

“Ow!” Said the Owl

Poor little owl! A delightful book about making hurts better.

The little owl has hurt herself. The fox comes along and blows on the bump, the mouse brings a plaster and the snake strokes the little owl's cheek. But what's the best way to make it better? A kiss from Mummy Owl, of course! With the cutest little owl in the world, this book is an absolute favourite with very young children! A charming story of kindness and empathy told in clear pictures and simple rhymes children will have great fun joining in with.
