# Ein Warzenschwein will küssen

## *A Warthog Wants to Kiss*

How does kissing feel? Does it taste as sweet as marzipan?

The warthog is very knowledgeable, but sadly it has no idea at all about kissing. This has to change, he decides, and tries his luck with a spider, a bee and a butterfly, but none of them want a kiss from him. And the other animals also prefer to stay un-kissed, so the warthog tries kissing a pebble. Will it return his kiss?

*A Warthog Wants to Kiss* is really special thanks to Erhard Dietl's rhymes, which guarantee great hilarity, and Christiane Hansen's beautiful illustrations, which will soon have fans of kissing, large and small alike.
