

Sarah Lilian Waldherr

## Sternendiamant 2. Die Fürstin des Meeres Band 2

*Star Diamond. The Princess of the Sea*

Year two is about to begin on the boarding school spaceship Simalia! This time the journey will take them to the marine kingdom. There's just one thing that has dampened Fana, Hala and Ivy's delight at being reunited: Kian, Fana's boyfriend has disappeared without trace. What has happened to him? Could it have something to do with the jewel king's power-hungry plans? Fana is faced with a decision. How much is she willing to risk to save Kian and preserve peace in Patenia.

Volume 2 of the Star Diamond Series - captivating, funny, and as mysterious as the Sea of Merinea.
