

Sarah Lilian Waldherr

Sternendiamant 3. Das Land der Feen Band 3

Star Diamond. Fairyland

The search for the star diamonds takes the barding school spaceship Simalia further into the fairy kingdom. Hala, Ivy, Fana and Kian do their very best to gain possession of the remaining diamonds, but Fana and Kian are going through a very bad patch, and Hala is flirting with a Fairyland officer, and the sparks are flying between Ivy and Tem, too. Will the friends be able to stay focused on their goal in sight in spite of all the romantic entanglements?

Volume 3 of the Star Diamond series - absolutely gripping, romantic, and magical.
