## Mein kunterbuntes Farbenbuch

### *My Fabulous Little Colour Book*

Toot toot – Lena is sitting in her red car on her way to visit her friend Peter in his yellow house. But which of the three cars is the red one? And which of the three houses is yellow? Just lift the flaps and see! Oh, there's Lena. And there's Peter! Now the two can have a cup of cocoa together. But where's the blue cupboard with the cups?

A first colour playbook that invites children to investigate. Using the flaps, children find the colours they are looking for.
