## Gute Nacht, flüstert der Mond

### *Goodnight, Murmurs the Moon*

"The day's been a long, bright and happy one. But look – now the sun is setting." Just moments ago, the small birds, squirrels and children were buzzing about and playing boisterously, but now they all stop and quietly gaze at the glorious sunset. Soon the moon will be here to take the sun's place in the sky. Now it's time for bed.
