Lang lebe König Frosch!

Long Live King Frog

Frog or King, That is the Question!

Fox and Wild Boar were really expecting the mayfly, but who's this climbing out of the water? A frog, and it actually claims to be a king – or to be exact, their king. King Frog proceeds to demand a palace, freshly grilled flies and absolute obedience. He even makes the pair build a wall to keep out the stork, which, he claims, is a sorcerer. Will the two best friends the forest has ever seen be taken in by this self-crowned king?

Following the success of his children's book ONLY A DAY, Martin Baltscheit has now come up with another masterpiece featuring Wild Boar and Fox

The subjects of populism, society based on lies, and manipulation are merrily tackled here with charm and humour as well as depth

Great philosophy for small readers, warm-heartedly illustrated by Sabine Büchner.
