

Margret Rettich, Margret Rettich

Jan und Julia sind krank

Jan and Julia Are Ill

All children fall ill some time. Jan and Julia have to stay in bed with coughs and runny noses. What a good thing they've got parents who take good care of them and help them pass the time by playing games and reading them stories. That way, getting better again is much easier.

Age recommendation: 4 +

ISBN: 978-3-7891-5707-3

AUTHOR

Margret Rettich

Margret Rettich, born in 1926 in Stettin, is a well-known and busy illustrator and author of children's books. After studying Graphic Arts at the Kunstschule in Erfurt she worked as a freelancer in advertising, for publishers of children's books and school books, for magazines and for the television. Her books were frequently awarded, among others by Stiftung Buchkunst in the category "Die schönsten deutschen Bücher". In 1981 she won the Deutscher Jugendliteraturpreis in the category picture book. In 1997 Margret Rettich and her husband, the children's books illustrator Rolf Rettich, were awarded the Großer Preis der Deutschen Akademie für Kinder- und Jugendliteratur for their life's work.
