## Glamour Girl

Band 1 - Wer liebt, verliert

### *Glamour Girl - You Love, You Lose*

Vicky has never seen her best friend like this before. When Blanche receives a threatening letter, she feels the carpet is being pulled from under her feet. The sender is Robin Dorville, no less, the ruler of one of the mightiest glamour societies in the country. He's a power-hunger character, arrogant and good-looking. How on earth can she reach him? His society, known as "Saya North", is currently in crisis because Robin is seeking his future regent-consort, or "First Harmony". As the woman at his side, she will become one of the most powerful women in the country. Desperate as Vicky is, she applies – under a pseudonym – to become Robin's First Harmony. She is actually accepted as a candidate and soon finds herself caught up in a world of glittering parties, jealousy and intrigue as dark as it's glamorous between the candidates and thrilling dates with Robin. But when she hears of a mysterious case of murder in the past, her whole world is turned upside down.

Love, hate and intrigue: Surrender to the glamour society and you will never be free of it again!
