### *The Oggies - A Dragon Party for Firebottom*

Whatever is wrong with Firebottom? Why is he so sad? The Oggies are worried about their dragon. But luckily, they quickly hit on a good idea. How would it be if they threw a birthday party for Firebottom and invited some of his dragon friends? That really ought to cheer him up, by toad's fart! And along with Red Rochus, Blue Blasius and the Chinese dragon girl Leek-Fang, they are soon having the oggiest festival ever seen on the rubbish heap
