## Wonderful Intrigues

Wenn die Masken fallen

### *Wonderful Intrigues*

A secret game of lies

Thanks to her ability to become other other people, impersonator Elodie is hired by soap star Wynter to take the latter's place on the set of "Wonderful Intrigues". Thus begins a secret game based on lies. Wynter doesn't want to carry on pretending to be in a relationship with her co-star Nord just for PR purposes. Elodie, who needs the money to pay for her sister's hospital treatment, initially finds the idea - and Nord - very attractive. Before very long, though, the lines between fake and reality become dangerously blurred. Will the masks slip?

- Film set glamour, intrigue and false identities.
- A protagonist who can become other people: a gripping plot with a compelling fantasy twist.
- Potential to become a top seller: on point romance, with all the ingredients to make a successful series.
