Unadulterated adventure in a glowing forest full of fantastical
creatures

Where have the fortuna lights gone? They were always visible in
the sky above the Land of Light. But now they have vanished.
The only thing that can bring them back is an enchanted amulet
– and this is what Karla and Frederik need to find! Together with
their glowing snail Tini, the two friends set off on an adventure-
packed hunt. It leads them deep into the Glimmering Forest,
teeming with wondrous creatures. Here they encounter Earth
Morpels and Night Elves, Candle Goblins and sinister Shadow
Biters. However, nothing's going to distract Karla and Frederik
from their goal: to re-illuminate the Land of Light...
