*I'm So Angry I Made a Sign -
Postcards for People Who Take a
Stand*

Loud and clear, higgledy-piggledy, nonconformist and full of power – that's what demonstrations are like all over the world. Whether fighting for women's rights, against climate change or for the protection of the environment, demonstrators everywhere are proclaiming their views loudly and with humour. Here's a calendar for people who think take a stand – a week by week companion for the whole year. The detachable postcards can be sent, stuck on the wall, or used for sharing ideas!
