### *Magically Kissed*

By bestselling author Sonja Kaiblinger: A touch of magic, first love and the topsy-turvy chaos of everyday catastrophes

You can be whoever you want to be! But do you know who you are?

Ophelia's transformation skills are more practical than you might think. After all, (in the guise of Amalia) she finally gets to kiss Cliff, the boy she's crazy about. But then it's time for the whole school to set off for the Highland Games. And because not only Cliff and the real Amalia join them on the journey, but also Ophelia's twin sister, their three loopy aunts and Adrian, who is absolutely nuts about Ophelia, heartache and chaos are a foregone conclusion. Strange things happen and Ophelia realises that she has another relation staying at camp incognito.

Mistaken at the second kiss, the second book in Sonja's comic and complicated tale of transformation.
