Mein Messlattenbuch

1, 2, 3 ... as tall as me! My Measurement Book

All the animals think they're tall –
Even those that are very small.
But none of them's as tall by half
As the tree-top touching, giant giraffe.

What about you? Are you as tall as a mouse, or a sheep, or a bear?

The concertina growth chart will tell you, and it will go on telling you until you are fully grown.
