## Die Wächter von Tal

### Der Winterkristall

#### *The Keepers of the Valley – The Winter Crystal*

Welcome to the valley – welcome to the wonderful world of reading!

The trees are still holding on to their many-coloured leaves and the weather is far too warm for the time of year when the four friends Talis, Alva, Will and Sam happen upon a gleaming stone in a forbidden part of the forest. Hardly have they found the stone than they have strange creatures clad in iron armour pursuing them...

A fantastic adventure comic that whisks children away into an unfamiliar world packed with fun and action and opens up the world of reading even to unpractised readers.

Second book in the series to be published in autumn 2021
