

Philipp Steffan, Caroline Morfeld, Tobias Gralke

Sprich es an!

Rechtspopulistischer Sprache radikal
höflich entgegnetreten

*Call It Out! Courteously but Radically
Countering Right-wing Populist
Language*

Recognising right-wing language patterns: the highly topical follow-up to "Say Something!".

Why is language so important? Because HOW we say something is fundamentally linked to WHAT we say. In this new volume, the activist organisation "Tadel verpflichtet! e.V." exposes right-wing populist language and the world view behind it. Practical examples help the reader to judge difficult situations accurately, and to counter them politely but radically.

Clear Message: Speak out against right-wing extremism!

More than 25.000 copies of "Say Something!" sold!

AUTHOR

Philipp Steffan

Philipp Steffan studied philosophy and economics in Bayreuth and Granada, and during that period was also a guest observer in the political editorial offices of the FAZ and FAS newspapers. Since 2017, he has devoted his efforts to educational work concerned with right-wing populism, developing awareness campaigns, devising and holding workshops and compiling tips for heated discussion situations.
