Lovable Heroes in Tricky Police Missions

Themes close to children's hearts: animal protection and friendship

There's no case that can't be solved with brains, wit and friendship

One morning, Flopson the red panda wakes up and discovers that her friend Tjalle the streaked tenrec, has disappeared. Flopson scents a crime, and leaves her safe cage to try to rescue Tjalle. In the process, she encounters Fridolin, a mini dwarf pony. He joins in with her search, but instead of finding Tjalle, they find the injured blue tit Meili. Together, the three of them seek sanctuary in a disused police car. However, the grumpy Syrian hamster Jack has already taken up residence there and doesn't want to share his home with uninvited guests. But when they find an important clue pointing to the whereabouts of Tjalle, the four very different animals join forces. Only together can they solve the mystery – as THE ANIMAL POLICE!

The new children's series by Unipig creator Anna Böhm – second book in the series will be published in autumn 2021
