ILLUSTRATOR

Igor Lange

Igor Lange was born in 1986 and studied design in Münster, with illustration as his main subject. In his earliest years, little Igor used to draw on tables and walls. The drawings told his own stories of superheroes and adventures - nothing boring about them. Today, his pictures appear in books, not on walls. He has turned his dream into his work, but there's a little bit of him that's still a child.
