# Cards of Love 1. Die Magie des Todes

Band 1

*Cards of Love 1 - The Magic of Death*

After the sudden death of her beloved father, 18-year-old Giuletta travels to Venice. She stays in her uncle's hotel, where her father is said to have had an accident - and quickly becomes aware that something is amiss: the 22 hotel guests on the first floor are actually figures from a magic tarot card set. They had spent years trapped in their respective cards; now they are at large. One of them is the good-looking actor Malvolio, with whom Giuletta soon falls in love. But which role is the mysterious Malvolio really playing?

- Inescapable love, magic Tarot cards, and an ancient family story.

- A magnificent mixture of magic and the modern world, set in romantic Venice.

- Guaranteed to whet the appetite: Volume 2 due in Spring 2022.
