## Die Olchis So schön ist es im Kindergarten

### *The Ogglies – Nursery School is So Much Fun*

Fun with the Ogglies at nursery school! The third picture book from Smellville

The Oggly twins want to go to nursery school. Right now, this minute! And they want to do the things children do there: drawing and painting, singing, playing and, naturally, they want lots of sandwiches for the break. When Oggly-Grandma has to fill in for the teacher, it soon becomes very clear that this day is going to be a very special one. After all, the Oggly twins would much rather draw toads than flowers and their favourite game is doing long jumps into the mud ...

With a special extra: the Oggly nursery school song with sheet music!
