### **The Heroines' Club 4: Christmas at Boarding School**

Children's Fiction Ages 9+ | 224 Pages

The Matilda Imperatrix boarding school is in Christmas mood! It's swathed in a glittering blanket of snow, and the schoolgirls simply can't wait for the holidays to begin. Every day, the little school bus drives down into the valley so that the Matildas can travel from there to their homes all around the planet. But then the snow just keeps on falling, leaving the boarding school cut off from the outside world – and one of the buses doesn't even make it as far as the village! A daring rescue begins – and whether or not our three heroines will be able to spend Christmas Eve at home with their families remains to be seen.
